

ROCKBROOK
CAMP FOR GIRLS
BREVARD, N.C.

SINCE 1921

*The View From the
Heart of a Wooded Mountain*

What? It's over already!?

What a fantastic summer it was! From the giant slip'n'slides, to singing the "Coconut Song," to the awesome banquets, it was a season to remember. We can't believe it's already over, but that just means we've started looking forward to next year.

With everyone now back at school, camp is much quieter this time of year. It reminds us that it's the campers and counselors that truly make up "the spirit of Rockbrook." But being away doesn't mean you'll forget about RBC. We'll try to keep in touch with our newsletters, come to your town for an RBC party, and share news on our website blog. You stay in touch too! Email, cards, letters—we always love hearing from you.

It's a great way to remember the summer!**

Summer Memories

RBC Book Club

Even though the days at Rockbrook are packed with exciting activities and surprises, there's always time for some reading. Whether it's your counselor sharing a chapter after lights out, sitting on the hill before lunch, or relaxing in Goodwill with your favorite novel, camp is a wonderful place to read.

We often receive recommendations of excellent books and then share them with everyone in the RBC newsletter. It's a great way to learn what your camp friends are enjoying, and to discover a new book. So we want to ask you for your suggestions. What is your current favorite book, and what do you like about it?

Send your suggestions to [**office@rockbrookcamp.com**](mailto:office@rockbrookcamp.com). You may be surprised to see your choice in the next installment of the newsletter!

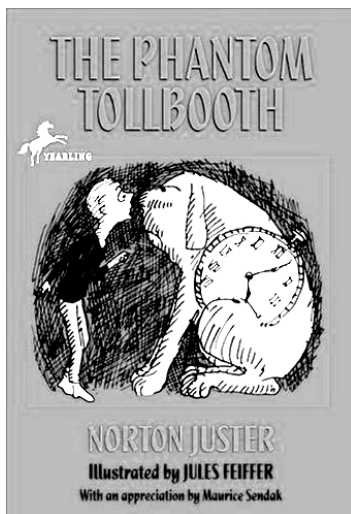

Here's a suggestion from **Leah Emory**.

The Phantom Tollbooth
by Norton Juster

Leah is the program director for Rockbrook and just spent her fourth summer at camp. She is a native of Brevard. She says:

"This is one of my favorite books of all time. It's the story of a boy named Milo who finds himself bored and ends up going

on an adventure in an interesting land with characters such as the Watch Dog, Humbug, and the sisters Rhyme and Reason. It is so fun and written in such a clever way. It takes words and concepts that you may hear about in school and twists them in interesting and sometimes funny ways! I reread it almost every year and love it every time. I recommend it to anyone and everyone!"

**Signed up for next summer yet?
There's still time to receive a Rockbrook Messenger Bag.
Hurry! The deadline is October 1st.**

The new 2007 camp dates are now on the RBC website.
